By your signature below, you certify that the information you provide in this document is true and correct. You transfer all ownership and legal rights and interest in the frozen semen specified above to the new owner(s) specified above. You transfer all rights of ownership and interest in the above frozen semen, its use, and any resulting outcomes to the new owner(s) listed above. You agree that all interest and ownership of the above listed frozen semen and its resulting use, outcomes, and/or its transfer to other individuals are no longer your concern and now belong to the person(s) listed above as the new owner(s). You understand and agree that ICSB does not promise, guarantee, warranty, or represent that frozen semen will stay the same over time, that canine semen will be viable, that canine semen will be of any particular quality or motility, or that the use of any canine semen will result in conception. You agree to indemnify and hold harmless ICSB and its owners, employees, and agents from any liability related to any disputes related to this transfer of ownership between the current and new owners of the frozen semen above. You understand and agree that it is your responsibility to submit all registry certificates and required DNA profile numbers to ICSB prior to this transfer.
